

It's child's play to attain professional results.

P-C2157w MFP • P-C2656w MFP

The P-C2157w MFP and P-C2656w MFP colour multifunctional systems are the perfect companions for your office! Let your documents stand out thanks to a high print speed of up to 21 or 26 A4 pages per minute, respectively, and first-class print quality. These systems always deliver top results, no matter whether you need crisp and precise text or vivid colours. You can easily digitalise and copy documents thanks to the integrated scan and copy features. Offering a resolution of up to 1,200 x 1,200 dpi for the highest possible quality for your scans and copies. The user-friendly touchscreen display makes operation child's play and allows you to effortlessly access all features.

Highlights:

WORK MORE EFFICIENTLY: The ability to use the convenience of cloud printing is increasingly playing an important role in today's digital world. To aid this cloud integration, the new colour multifunctional printers are compatible with numerous cloud providers to make your day-to-day work easier in the long term. Thanks to this feature, you can now process documents from anywhere, saving you a lot of time and energy.

A HIGH LEVEL OF SECURITY: Greater security when printing, scanning, and copying doesn't need to be complicated. Both systems offer numerous features and technologies such as the Trusted Platform Module (TPM)*, Transport Layer Security 1.3 (TLS 1.3), and Allow-listing to protect your data. Meaning that you can concentrate on your work and are always on the safe side.

WORK IN AN ENVIRONMENTALLY FRIENDLY WAY: No need to do things by half measures when it comes to environmental protection: The systems make a significant contribution to making your office more climate-friendly through their improved TEC values, reduced energy consumption, and the increased amount of recyclable plastic used in manufacturing.

COMPACT SIZE: Both colour multifunctional systems have compact dimensions, so that they can also be conveniently set up at workstations with limited space. The sleek, modern design of the P-C2157w MFP and P-C2656w MFP blends harmoniously into any environment, and the design of both systems is also visually appealing.
