

Ready for tomorrow – they're here already

4009ci · 5009ci · 6009ci · 7009ci

Our A3 multifunctional systems are the best co-workers you could wish for – smart, efficient and ready to conquer the future! You'll be amazed at how effortless integration of cloud-based applications, first-class print quality and ease of use will catapult your workflows to the next level. The 4009ci, 5009ci, 6009ci and 7009ci print and copy at speeds of 40, 50, 60 and even 70 A4 pages per minute – no matter whether in colour or black and white. You can't even grab a quick coffee in that time. These systems are able to reliably and flexibly process even the most extensive print jobs in record time, and so transform your office into a top-quality production facility – but with no coffee breaks!

HIGHLIGHTS:

INTELLIGENT CONNECTIVITY: All systems can be easily integrated into common cloud platforms – from Google Drive to Microsoft SharePoint. This means you can access your documents seamlessly at any time, whether from your office or home office. Document Guard can prevent confidential documents from being scanned or copied – of course, only you decide exactly what and how!

TRANSPARENT ENERGY MANAGEMENT: The energy consumption of the multifunctional systems can be displayed and monitored transparently on the 10.1 inch touchscreen, allowing you to optimise how you use the systems. In addition to providing energy-efficient toners, we have also increased the proportion of recyclable plastic in our MFPs to reduce the consumption of resources in the circular economy and so further reduce our environmental impact.

COMPLIANT SECURITY: Comprehensive hardware protection of the hard drives guarantees that your data is overwritten and encrypted multiple times. The 'Secure Boot' function ensures that only authorised firmware is executed during each start-up. During operation, the 'Run Time Integrity Check' regularly verifies the validity of the firmware. This way, our systems ensure that your data is protected at all times and that malware is successfully repelled.

OPTIONS

Original feeder

DP-7150 document processor with automatic reverse function (A6R-A3, capacity: 140 sheet A4, paper weight 35-160 g/m²), DP-7160 document processor 160 g/m²), DP-7160 document processor with simultaneous duplex scanning (A6R-A3, capacity: 320 sheet A4, paper weight 35-220 g/m²), DP-7170 document processor with simultaneous duplex scanning, multi-feed detection and sensor with staple detection (A6R-A3, capacity: 320 sheet A4, paper weight 35-220 g/m²)

Platen cover Platen cover type E (if document processor is not installed)

Finisher

DF-7100 internal finisher (capacity: 500 sheet A4, stapling max 50 sheet A4, not

sheet A4, stapling max 50 sheet A4, not available for 7008ci), DF-7120 (capacity: 1,000 sheet A4, stapling max 50 sheet A4), DF-7130 (capacity: 4,000 sheet A4, stapling max 65 sheet A4), DF-7150 (capacity: 4,000 sheet A4, stapling max 100 sheet A4), PH-7120 hole punch unit for DF-7100, PH-7C hole punch unit for DF-7120/7140/7150, BF-730 brochure modula for BF-7140 (may 200 sheet A4), PH-7150 hole punch unit for DF-7120/7140/7150, BF-730 brochure module for DF-7140 (max 20 sheet saddle stitching and folding A4/A3, tri-folding max 5 sheet A4), BF-9100 brochure module for DF-7150 (max 20 sheet saddle stitching and folding A4/ SRA3, tri-folding max 5 sheet A4), MT-730 (B) multi tray for DF-7140, IS-7100 Inserter (available for 6009ci/7009ci), ZF-7100 Z-fold unit (available for

6009ci/7009ci)

 $\label{eq:JS-7100} \begin{array}{l} \text{JS-7100 (100 sheet, 52-300 g/m}^2, \\ \text{A6R - SRA3), JS-7110 inner shift tray} \\ \text{(250 sheet, 52-300 g/m}^2, \text{A6R - SRA3)} \end{array}$ Job separator

PF-7140 (2 x 500 sheet universal cassettes [A5R-SRA3]), PF-7150 Paper feed

(2 x 1,500 sheet large capacity cassette [A4]), PF-7120 (3,000 sheet large capacity tray [A4], side deck)

Other options

Scan extension kit (A), Internet fax kit (A), Card authentication kit (B), Keyboard holder 10, Banner guide 10, UG-33 ThinPrint* kit, UG-34 Emulation option kit, IB-53 Gigabit Ethernet card, IB-54 WLAN Card (IEEE802.11/b/g/n, WIE Glidzer WIMPA). IR 37 WIMPA Card Wi-Fi direct, WPA3), IB-37 WLAN card (IEEE802.11a/b/g/n/ac, Wi-Fi direct) or IB-38 WLAN4 card (IEEE 802.11 b/g/n Wi-Fi direct), DT-730 (B) Document tray, NK-7120 Numeric Keyboard (10 keys), cabinet no. 81, HD-15 (320 GB HDD¹), HD-16 (1 TB HDD²), Fiery® Controller (Printing System 17)

- Depending on operating status
- For copy, print, scan, fax
- optional
- IB-38 is only available for selected countries outside the EU that do not support the IB-37 $\,$

About UTAX: UTAX is a registered trademark of the TA Triumph-Adler GmbH. The Hamburg-based company specialises in the sale of high-quality printing and copying systems. The broad product portfolio includes hardware as well as software applications. In addition to copying, printing and multifunctional systems (MFP) for the office workplace, UTAX supplies customised IT solutions and services as well as comprehensive consulting for efficient document processes in companies. In Germany, the UTAX brand is distributed through a network of over 200 authorised dealers. Internationally, the company operates in over 40 countries in the EMEA region.
