

P-3522DW

Strength lies in stillness.

Even though the world is rich in colours, black and white printouts are often quite sufficient in the office. This saves costs and frees up capacity for more important things. That's why our P-3522DW black and white printer is designed to accomplish print jobs quickly, flexibly and in superb quality. It makes no difference how the printer receives these jobs, whether via LAN or wirelessly via the Mobile Print app and Wi-Fi or Wi-Fi Direct – this printer is open to everything. The latter even works directly without the need for a router. At the same time, this printer is the epitome of quiet and calm. Have a listen!

What you can expect:

Fully equipped: The high input capacity of 850 sheets* (maximum) allows you to process a large quantity of paper in various formats from DIN A4 to DIN A6 via all paper cassettes. Together with the high print speed of 35 A4 pages per minute, you benefit from minimal disruption and time savings. Furthermore, the high print resolution of 1,200 x 1,200 dpi guarantees the finest print results.

Entirely mobile: The free Mobile Print app makes mobile printing easier for you when you're on the move. And, thanks to the Wi-Fi interface, which is integrated as standard, the P-3522DW is also connected immediately and wirelessly via WLAN to your network or work group. If access to a central router is restricted, you also have the option to enable the Wi-Fi Direct function that establishes a direct transmission of data between the printer and your Wi-Fi-capable end device.

Completely user-friendly: If it ever gets too loud and hectic at your workplace, you can set the printer to 'Quiet mode' via the control panel or driver. The printer now prints at half speed and its noise emission is greatly reduced. The long-lasting consumables of the P-3522DW increase the product's life span and therefore saves on resources and environmental impact.

Easy to use: The user-friendly driver interface is clearly laid out and self-explanatory as it is structured in such a way that you can find all the options straight away. Frequently selected settings, such as duplex printing, can be saved for quick access as user-defined buttons and can easily be selected again at any time.

P-3522DW

Technical data

General

Type	Desktop
Function	Print
Print technology	Laser b/w
Print format	max A4
Print speed	max 35 A4 pages/min, duplex: max 17.5 A4 pages/min
1st page	6.8 seconds*
Warm-up time	15 seconds*
Print resolution	600 x 600 dpi, 1,200 x 1,200 dpi
Greyscales	256
Paper feed	1 x 250 sheet universal cassette (A6R-A4), 100 sheet multi-bypass (A6R-A4)
Paper weights	Universal cassette 60-163 g/m ² , multi-bypass 60-220 g/m ² , duplex 60-163 g/m ²
Paper output	250 sheet A4
System memory	256 MB RAM, max 256 MB RAM
Processor	Cortex-A9 / 800 MHz

General

Interfaces	USB 2.0, 10/100/1000BaseTX, USB host, SD slot, Wi-Fi
Network protocols	TCP/IP, NetBEUI
Operating systems	Windows XP, Vista, Windows 7/8/8.1/10, Server 2003/2008 R2/2012 R2, Linux, Mac os X 10.5
Emulations	PCL6 (PCL5e, XL), KPDL 3 (PostScript 3 compatible), PRESCRIBE IIe, Line Printer, IBM Proprinter, Epson LQ-850, PDF 1.7, XPS, Open XPS
Functions	PDF direct printing, printing of e-mails, quiet mode (half speed mode), barcode printing, Mobile Print (Android/iOS), Google Cloud Print, Wi-Fi Direct®

Dimensions/Weight

Dimensions	272 x 375 x 393 mm (H x W x D)
Weight	approx. 14 kg

Environment

Mains voltage	220/240 V, 50/60 Hz
Power consumption	approx. 966 W max, approx. 620 W in operation, approx. 8 W in stand-by mode, approx. 0.8 W in sleep mode, TEC value: 1.36 kWh/week
Noise level	approx. 47.9 dB(A) in operation, stand-by mode: immeasurable (ISO 7779/9296)
Safety	GS/TÜV, CE

Options

Paper feed	max 2 x PF-1100 (250 sheet universal cassette [A6R-A4, 60-163 g/m ²])
Other options	UG-33 ThinPrint® kit, cabinet no. 78

*Depending on operating status.

Specifications subject to change without notice.
